

Annual Spring

Friday, May 14th • Saturday, May 15th

Have you cleaned out your garage, basement, closets, drawers etc. during the stay at home? Let's make a little extra cash, plus see your neighbors outside during the annual SCHA Spring Garage Sale. SCHA will advertise the garage sale in local publications like the Daily Herald, Suburban Life, Chicago Tribune, Craig's List etc., so it's a great time for you to participate. **Back this year!** We will have a truck available the following Monday to pick up any unsold items you wish to donate. Specifics will be emailed to you if you are interested.

Please register by Monday, May 10th to ensure your household is included on the map and that you receive a Garage Sale Kit (maps and signs). Kits will be available for pick-up on Thursday, May 13th. **Limited Yard Signs are available on a first come, first serve basis only.**
